

Dear Members,

I am absolutely delighted to announce that we have reopened our clubhouse.

Please see our social page for opening times.

The committee and I have been working hard to ensure we make your next visit safe and comfortable, whilst retaining the warm welcome, relaxed setting, and special experience that Hawk Green is renowned for.

We are very fortunate to have spacious bars and a “beer garden” amongst the largest in the area, which allow us to comply with social distancing and other Public Health England (PHE) guidelines easier than most establishments.

Our capacities will reflect PHE guidelines, and we are seating tables of up to six people maximum outside, and four in our main function room.

You can also expect some new safety measures across all areas, including (but not limited to):

- \* Enhanced procedures and training for our staff regarding hygiene, including self-declaration health questionnaires and daily temperature checks
- \* Hand wash/sanitisation stations provided
- \* Availability of personal protective equipment to staff, following PHE guidelines
- \* Enhanced and regular cleaning regimes covering all areas
- \* Adjustments to the layout, service and staff rotas to reduce the number of guests and staff in any area
- \* A “No handshaking policy”
- \* Cashless payments, with contactless ways to pay using your smartphone such as Apple Pay, Google Pay and Samsung Pay

Any further guidance from Public Health England will be followed closely and we will continually update you on any new policies and procedures as a result of this.

May I also take this opportunity to thank you for your continued support over recent months. On behalf on the entire committee and I, we cannot wait to welcome you back to Hawk Green.

Stuart Needham  
Chairman
